C. Professional Background:

Academic Appointments

Instructor in Surgery, The Johns Hopkins University School of Medicine, 1995-96
Assistant Professor of Surgery, The Johns Hopkins University School of Medicine, 1996
Secondary appointment, Assistant Professor of Gynecology and Obstetrics
The Johns Hopkins University School of Medicine, 1999

Associate Professor of Surgery and Gynecology and Obstetrics, The Johns Hopkins University School of Medicine, 2000
Triple appointment, Associate Professor of Oncology, The Johns Hopkins University School of Medicine, 2001
Visiting Associate Professor of Surgery, Keck School of Medicine, University of Southern California, July 2002-June 2004
Associate Professor of Surgery, Keck School of Medicine, University of Southern California, June 2004-2007
Secondary appointment, Associate Professor of Obstetrics and Gynecology, Keck School of Medicine, University of Southern California, June 2004-2009
Associate Professor of Clinical Surgery, Keck School of Medicine, University of Southern California, July 2007-2009
Vice Chair for Patient Safety and Quality, USC Department of Surgery, 2007-2009

Clinical Appointments

Assistant Chief of Service, Department of Surgery, The Johns Hopkins Hospital, 1995-96
Active Staff, Department of Surgery, The Johns Hopkins Hospital, 1996-2002
Chief, Division of Colorectal and Pelvic Floor Surgery, The Keck School of Medicine, University of Southern California, July 2002-2009
Attending Surgeon, USC University Hospital 2002-2009
Attending Surgeon, USC and LAC Medical Center 2002-2009
Attending Surgeon, Kenneth Norris Jr. Cancer Hospital 2002-2009
Active Staff, Kaiser Permanente West Los Angeles, 2003-05
Active Staff, Huntington Memorial Hospital, Pasadena, CA, 2004-
Active Staff, Bellflower Medical Center, Bellflower, CA, 2004-06
Chief, General Surgery Service, USC University Hospital 2004-2008
Teaching Faculty, Huntington Memorial Hospital, Pasadena, CA, 2004-

Specific Teaching Responsibilities

The Johns Hopkins University School of Medicine and Johns Hopkins Hospital Department of Surgery

Lectures on inflammatory bowel disease and benign anorectal conditions to junior and senior medical students, 1996-2002
Morbidity and Mortality Conference, Weekly, 1996-2002
Presentations at Surgical Grand Rounds, Yearly, 1996-2002
Attending Surgeon, Johns Hopkins Hospital
- Daily informal teaching of residents, fellows, and medical students in operating room, clinic, endoscopy suite and anorectal physiology laboratory, 1996-2002

University

Preceptor – Introduction to Clinical Medicine for freshmen medical students, 1999-2001
Assistant Course Director – The Johns Hopkins Medical Institutions Annual Houston Everett Memorial Course on Urogynecology, 2000-2002

Course Faculty – The Johns Hopkins Medical Institutions Semi-annual Course in Perioperative Management – Lectures on preoperative nutrition and laparoscopic surgery.

Other Informal/Formal Teaching Conferences at the Johns Hopkins Hospital

Multidisciplinary Pelvic Floor Disorders Conference (Co-Chair), Bi-weekly
1997-2002

Multidisciplinary Esophageal Cancer Treatment Group, Bi-weekly, 1997-2000
Colorectal Cancer Conference, Weekly, 1996-2002

The Johns Hopkins University School of Nursing

Lectures on acute gastrointestinal disease to acute care nurse practitioner students,
1996-2001

Keck School of Medicine, The University of Southern California

Department of Surgery

Division of Colorectal Surgery Staff and Teaching Conference,
Weekly, 2002-2008

Surgical Skills Laboratory, 6 core sessions, 2002-2008

Morbidity and Mortality Conference, Weekly, 2002-2009

Multidisciplinary Pelvic Floor Disorders Conference – Monthly, 2003-2009

Bariatric Surgery Program Conference – Weekly, 2003 - 2007

Attending Surgeon, USC + LAC Medical Center, USC University
Hospital, USC Norris Cancer Hospital, 2002-2009

- Daily informal teaching of residents, fellows, and medical students
in operating room, clinic, endoscopy suite and anorectal physiology
laboratory, 2002-2009

Presentation at Surgical Grand Rounds – 2003-08

Presentation at OB/GYN Grand Rounds, 2003-05

Presentation at GI Medicine Grand Rounds, 2003-05

University

Lectures on pelvic floor disorders to USC Community Hospital
Network, 2003-2005

Lectures on colorectal cancer, colorectal cancer screening and virtual colonoscopy to
USC Community Hospital Network, 2004-2005

Lectures on surgical options for morbid obesity to USC Community Hospital
Network, 2004-2005

Huntington Hospital General Surgery Residency Program

Lectures on colorectal diseases, pelvic floor disorders, patient safety and quality
2006-present

Daily informal teaching of residents, fellows, and medical students in operating
room, clinic, endoscopy suite, 2004-present

Full-time teaching faculty, 2009-present

Curriculum committee, 2009-present

Clinical Competence Committee, 2014-present

Advisor to categorical residents, 2009-present

Specific Administrative Responsibilities

Physician Advisor to Performance Improvement Committee, The Johns Hopkins Hospital, 2001-2002
Chairman of the Clinical Performance Improvement Committee for the Department of Surgery, The Johns Hopkins Hospital, 2001-2002
Director, Anorectal Physiology Laboratory, The Johns Hopkins Hospital, 1999-2002
Co-Director, Pelvic Floor Disorders Center, The Johns Hopkins Hospital, 1997-2002
Chief, Division of Colorectal and Pelvic Floor Surgery, The Keck School of Medicine, University of Southern California, 2002–2009
Director, Anorectal Physiology Laboratory, USC University Hospital, 2002 – 2009
Director, Pelvic Floor Disorders Center, USC University Hospital, 2002 – 2009
GI/Endoscopy Committee, USC University Hospital, 2003 – 2009
Chief, General Surgery Service, USC University Hospital 2004-2008
Executive Peer Review Committee, USC University Hospital, 2004-2009
Performance Improvement Committee, USC University Hospital, 2004-2009
Operating Room Committee, USC University Hospital, 2004-2008
Medical Executive Committee, USC University Hospital, 2004-2009
Infection Control Committee, USC University Hospital, 2006-2009
Surgeon Champion, ACS NSQIP, USC University Hospital, 2006-2009
SCIP Committee, USC University Hospital, 2007-2009
USC Care Malpractice Subcommittee, 2007-2009
Secretary/Treasurer USC University Hospital, 2008-2009
Chair, Performance Improvement Committee, USC University Hospital, 2008-2009
USC Care Quality, Privileging, Peer Review Committee, 2008-2009
Chair, GI/Endoscopy Committee, USC University Hospital, 2008
Vice Chair for Patient Safety and Quality, USC Department of Surgery, 2007-2009
Cancer Services Steering Committee, Huntington Hospital, 2006-present
Colorectal Cancer Steering Committee, Huntington Hospital, 2006-present
VTE subcommittee, SCIP, Huntington Hospital, 2007-present
Medical Director, Cancer Services, Huntington Hospital 2007-present
Chair, Cancer Committee, Huntington Hospital, 2007-present
Cancer Liaison Physician to American College of Surgeons Commission on Cancer, Huntington Hospital, 2013-present
Surgical Quality Committee, Huntington Hospital, 2008-present
Value Analysis Committee, Huntington Hospital, 2009-present
Surgical Block Committee, Huntington Hospital, 2014-present
Director, Colorectal Research Program, Huntington Medical Research Institutes, 2009-present
Huntington Hospital Board Strategy Committee – 2011-2013

British Journal of Surgery
Archives of Surgery
Annals of Surgery
New England Journal of Medicine
American Journal of Surgery
Journal of Laparoendoscopic & Advanced Surgical Techniques

Scientific Advisory Boards

Calypso Medical, Inc.
Genzyme Biosurgery
Synovis Surgical Innovations, Inc.
Cubist Pharmaceuticals, Inc.
Merck, Inc.

F. Research Activities:

Major Areas of Research Interest

Diagnosis and management of pelvic floor disorders
Advanced treatments for fecal incontinence
Multimodality treatment of rectal cancer, other pelvic malignancies
Development and testing of a surgical navigation system for localization of soft tissue tumors
“Bloodless” surgery – advanced transfusion practices
Adhesion prevention following colorectal surgery
The effects of morbid obesity on pelvic floor function
The effects of morbid obesity on colon cancer risk
Epigenetic markers in colorectal cancer
Racial and ethnic differences in genetic expression of inflammatory mediators in morbid obesity

Anastomotic buttressing in colorectal surgery
Safety and quality processes in general, colorectal, and pelvic floor surgery

Research in Progress

Evaluation of the role dynamic MR imaging in the management of pelvic floor disorders
Evaluation of the High Resolution 3D Anorectal Manometry (3D HRAM) in the management of pelvic floor disorders
Prospective evaluation of the prevalence of pelvic floor disorders in morbidly obese women
Prospective evaluations of epigenetic profiles in colon mucosa in patients with polyps, obese individuals
Prospective evaluations of epigenetic profiles in serum and plasma of patients with and without colorectal neoplasia
Safety and quality process implementation in colorectal and pelvic floor surgery
Exploring a role for the gut microbiota in irritable bowel syndrome (IBS) with or without small intestinal bowel overgrowth (SIBO)

Research Grants

1. Transferrin, Iron Deficiency and Gallstone Pathogenesis \$1,164,523
National Institutes of Health, National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) RO1
1997-2000 Collaborator (Henry A. Pitt, M.D., P.I.)
2. Age-related changes in the female pelvic floor \$ 14,600
A dynamic MR-Imaging Study
The Johns Hopkins Fund for Medical Discovery
1997 PI
3. A prospective, randomized, multicenter, controlled evaluation of the efficacy safety of Seprafilm bioresorbable membrane in the reduction of the incidence bowel obstruction in general surgery \$ 90,540
Genzyme Corporation
1998 PI for Johns Hopkins
4. Cholecystokinin-octopeptide for the Prevention of Gallbladder Stasis and Sludge in Bone Marrow Transplant Patients. \$ 39,920
Johns Hopkins Oncology Center
1999 Co-Investigator (PI: Linda Lee, M.D.)
5. A Phase III, controlled, open label, multi-center, parallel group study designed to evaluate the safety and efficacy of Poly SFH-P Injection in the total elimination of allogeneic red cell transfusion \$ 393,000
Sponsor: Northfield Laboratories Inc., Evanston, IL
1998-2001 Co-Investigator (PI, Edward J. Norris, M.D., M.B.A.)

6. The multi-centered evaluation of the safety and efficacy of PolyHemel [Poly SFH-P Injection (polymerized human hemoglobin, pyridoxylated)] in acute blood loss
Northfield Laboratories Inc., Evanston, IL
2000-2001 Co-Investigator (PI: Edward J. Norris, M.D., M.B.A.) \$ 286,000
7. A phase 2, single-blind, randomized, controlled, dose-escalation safety study of AF0144 (perflubron emulsion) as a temporary intravenous oxygen carrier in subjects undergoing high-blood-loss elective non-cardiac surgery
Alliance Pharmaceutical Corp.
2000-2001 Co-Investigator (P I: Edward J. Norris, M.D., M.B.A) \$ 152,370
8. Clinical utility of blood volume assessment in the perioperative period
Daxor Corporation
2000 Co-Investigator (P I: Edward J. Norris, M.D., M.B.A.) \$ 86,000
9. Pelvic Floor Disorders Treatment Network
National Institutes of Health
National Institute of Child Health and Human Development (NICHD)
2000-2001 Co-Investigator
Principal Investigator: Geoffrey Cundiff, M.D.
10. Intra-operative localization of Implanted Beacons in Soft Tissue
Calypso Medical, Inc.
2001 PI \$ 2,000
11. Stability of Implanted Beacons in Soft Tissue
Calypso Medical, Inc.
2001 PI \$ 2,000
12. A multi-center, randomized, double blind, sham-controlled trial investigating submucosal delivery of radio frequency energy to the anal canal (Secca) for the treatment of fecal incontinence.
Curon Medical, Inc.
2002 PI for Johns Hopkins
2004 PI for USC \$ 75,000
13. InterStim Sacral Nerve Stimulation Therapy for Bowel Control: Fecal Incontinence Study
Medtronic, Inc.
2004 PI for USC \$ 93,000
14. Peri-Strips Dry with Veritas Collagen Matrix & Protect Colorectal Clinical Study
Synovis Surgical Innovations
2005 PI for USC \$ 100,000
